

### **Event Activity Report**

<b>Academic Year</b>	<b>: 2024-25</b>
<b>School Name</b>	<b>: School of Sciences</b>
<b>Event Title</b>	<b>: Career Excellence</b>
<b>Event Date</b>	<b>: 07<sup>th</sup> February 2024</b>
<b>Duration in Days</b>	<b>: One Day</b>
<b>Mode of Conduction</b>	<b>: Offline</b>
<b>Coordinator</b> <b>School of Sciences</b>	<b>: Ms. Pratiksha Magar, Assistant Professor,</b>

#### **Objective:**

**TBT Illumination: Your Pathway to Career Excellence** was an engaging and transformative event meticulously designed to provide your students with a holistic perspective on various career avenues. The session aims to equip them with the knowledge, insights, and tools necessary to make informed decisions about their professional journey.

#### **Report:**

The session was addressed by Mr. Shekhar and Mr. Malhar, The cofounders of The Bodhi Tree. The students of B.Sc and M.Sc Microbiology, Life Science, Chemistry and Forensic Science had a great time to listen to the great session on Career Excellence. In the session the student explored following agendas-

1. Explore unconventional pathways in government exams beyond the mainstream MPSC and UPSC
2. Embark on a journey of post-graduate opportunities on a global canvas by standardized tests such as GRE, GMAT, TOEFL, and IELTS, which can unlock international doors.
3. Address the gap between theoretical learning and practical application, preparing them for career success
4. Uncover the secrets to crafting an impactful resume that truly reflects strengths and experiences
5. Understand the skills and qualities that will set your students apart in competitive placement scenarios
6. Receive guidance on honing essential skills to outshine their peers and secure promising career opportunities.
