SCHOOL OF SCIENCE
Department of Forensic Science

Objectives:

The main objective for conducting this event is to provide a platform for students to foster new ideas, learn about the significance of body language analysis, gestures and facial expressions in forensic investigation. The International MoU signed between Department of Forensic Science, School of Science and Bangladesh Institute of Forensic Psychology and Graphology will open new opportunities to gain knowledge about forensic science, industrial training for B.Sc and M.Sc forensic science students, consultancy and exchange of knowledge and internships.

Report:

The Department of Forensic Science, School of Science has organized the One Day International Workshop on “Body Language Analysis in Forensic Investigation” and a competition entitled “Insight Invaders: A Brain Battle”. The event included two sessions: Morning Session and Afternoon Session. In Morning Session, a competition related to the forensic evidences hunt which was entitled “Insight Invaders: A Brain Battle” was organized. Around 300 students registered for the competition among which 60-70 students were from different forensic and law colleges. They were given a quiz of 20 questions and were asked to solve the quiz within 1 hour. The students enthusiastically participated in the event.

In the Afternoon Session, An International Memorandum of Understanding was signed between Department of Forensic Science, School of Science, Sandip University and Bangladesh Institute of Forensic Psychology and Graphology (BIFPG). The event was graced by the presence of Honorable Vice Chancellor, Prof (Dr.) Rajendra Sinha and Respected Registrar Prof. (Dr.) Prasad Baviskar. The Guest of Honour, Md Meraz Hossain, Director of Bangladesh Institute of Forensic Psychology and Graphology (BIFPG) conducted a workshop on “Body Language Analysis in Forensic Investigation” in which he explained the significance of body language, facial expressions and gestures in analyzing the suspects and culprits for forensic investigation. The event was concluded with cultural event.
