

Mahiravani, Trimbak Road, Nashik – 422 213

**School of Science
Department of Chemistry**

Report : Guest Lecture on Lab Safety

Academic Year: 25-2026

School Name: School of Science, Sandip University Nashik-422213.

Department: Department of Chemistry

Event Date: 22 April 2026

Duration in days: 10:00 AM to 12:00 PM

Address: SOS, SP Building.

Guest speaker: Rajesh Kokate, Safety Manager, Honeywell Industries

Participants: M.Sc. I and B.Sc. Students

Event Coordinator:

Ms. Akansha Raut, Assistant Professor

Dr. Parag P. Chavan, Associate Professor

Objective of the Guest Lecture

- To provide students with industry-oriented knowledge on safety management practices.
- To create awareness about industrial safety standards and protocols.
- To bridge the gap between academic learning and industrial applications.
- To guide students on career opportunities in industrial safety and management.

Guest Speaker Session Highlights

Industrial Safety Awareness:

The speaker emphasized the importance of safety measures in industries, highlighting various protocols followed to prevent accidents and ensure a safe working environment.

Safety Management Practices:

Detailed insights were provided on risk assessment, hazard identification, and implementation of safety policies in industries like Honeywell.

Career Opportunities:

The speaker discussed various career paths in industrial safety and encouraged students to develop

specialized skills and certifications in safety management.

Real-world Applications:

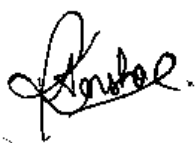

Practical examples and real-life case studies were shared to help students understand the significance of safety in industrial operations.

Conclusion:

The session was highly informative and interactive, offering students a deeper understanding of industrial safety and management. The Department of Chemistry expresses sincere gratitude to the guest speaker for sharing valuable knowledge and guiding students toward industry readiness. Such sessions play a crucial role in enhancing students' professional and practical outlook.
