Event Outline, Objective and Outcome of the event:**Outline of Program:**

Sandip University's School of Science had organized Health Check-up Camp on the occasion of World Health Day in association with Pushpa Swarup Charitable Trust, Nashik. Different types of check-up were conducted by the team of Doctors.

- Eye Check-up
- Weight and Blood Pressure
- Electrocardiogram (ECG)
- General Health Check-up
- Blood Glucose Level Test
- Guidance about Health care

Objective of Program:

The Camp was organized on 07th April 2022 on the occasion of World Health Day. World Health Day (WHD) is celebrated on 7th April every year **to** mark the anniversary of the founding of WHO in 1948. Each year, a theme is selected to highlight a priority area of public health concern in the world. The objective of the program was to create awareness about the importance of regular health check-ups and taking care of one's physical and mental health.

Outcome:

The Health Check-up camp received a great response from the faculties and students of all Schools from Sandip University. The team of Physicians guided everyone very well about the importance of health care and routine check-ups one needs to follow mostly after the age of 40+. The team also guided about the benefits and parameters of healthy lifestyle. Also, great response was observed for the Eye check-up and other testing that was conducted.

The team School of Science extended great support in hosting and smoothly conducting this Health Check-up camp
