<b>Number of participants attended</b>	<b>: 60</b>

**Event Outline, Objective and Outcome of the event:**

**Outline of Program:** The School of Science, Sandip University organized the 'Scientika 2k24' on the occasion of National Science Day. National Science Day is celebrated in India on February 28 each year to mark the discovery of the Raman effect by Indian physicist Sir Chandrasekhara Venkata Raman on 28 February 1928. This year the theme of the National Science Day is said to be 'Indigenous Technology for Viksit Bharat'.

In honor of this day, the School of Science intended to conduct Model Making and Rangoli Making Competition for the students of all the schools at Sandip University. The program was precelebrated due to prior scheduled Sandipotsav from 26<sup>th</sup> to 2<sup>nd</sup> March 2024

**Objective of Program:**

- The Objective of this event was to encourage the students for their active participation in different scientific activities.

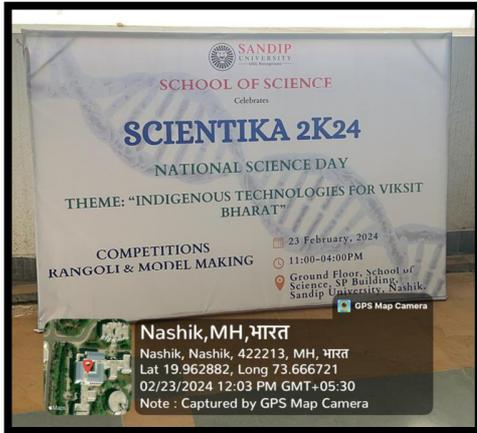

- The Basic objective was to make the students realize the importance and use of Science at various levels.
- To motivate the students as well as popularize Science and Technology.
- To widely spread a message about the significance of scientific applications in the daily life of the people.
- To display all the activities, efforts and achievements in the field of science for the welfare of the society.
- To discuss all the issues and implement new technologies for the development of science.
- To give an opportunity to the scientific minded Students in the University to present their skills.

**Outcome:**

The 'Science Fair' was inaugurated by the Director IQAC Dr. Arunkumar Dwivedi Sir, Sandip University, Nashik. Students from School of Science actively Participated in competitions that were organized. Scientific Models, Scientific Rangoli displayed the collaboration of Science and its hand in development of India.

Participants were appreciated with certificates and Winners were congratulated with gifts and certificates. The Event Coordinators of departments of SoS Dr. Kiran Thakur, Dr. Sneha Tambat extended a great support to make this event successful. All the participants were congratulated by the Associate Dean and Heads of various departments.
