Parent Teacher Meeting was conducted on Saturday, Date: 12/04/2025 from 11:00 am to 03:00 pm. along with this for the parents who are from outstations, the online (Google meet/Whats app) PTM is successfully conducted. The Parent-Teacher Meeting (PTM) aimed to enhance communication between faculty and parents, discuss student progress, and address any concerns related to academic and extracurricular activities. The meeting provided a platform for parents to engage with faculty, understand their child's academic journey, and collaborate on ways to support their learning. The parents were informed through telephonic calls as well as through the student's official group. The programme was coordinated by Dr. Parag P. Chavan, Assistant professor Department of Chemistry.

The programme started with the lighting of lamp to the Goddess Saraswati by respected Dean Sir, followed by HOD's from all departments and parents' representative. The Dean, HODs and senior faculties were facilitated by coordinating faculty.

The welcome speeches were delivered by Ms. Pratiksha Magar, Assistant Professor, SoS. The academic and administrative structure of School of Science, the composition of board of studies and curriculum accepts deliberated in detail for the benefit parent and students.

The meeting followed by the refreshments and the individual interaction with the teachers.

Parents visited newly opened Central Instrumental Lab (CIF,SoS), several laboratories and got a glimpse of the facilities available at the School of Science. The Vote of Thanks was given by Dr. Namrata Dhadnekar, Assistant Professor, SoS.

The overall satisfaction level regarding the academic calendar, the examination activities and information, the communication among the parents and their wards was observed to be good. However, the parents requested for a better study material to enable the students to the examination. The sports and other activities were also on high demand in the discussions with the parents.

Actions: The institutional autonomy over academics was highlighted and the role of classroom teaching in deciding the scope of the examination. It was mentioned that the students who are regular in the classes get the better understanding of the study material. Parents were assured of the enhanced book requirements are already under process with the Institutional Central Library.

The need to include the sport and extracurricular activities was genuine and have been included in the activity plan in consultation with the students.
