SCHOOL OF SCIENCE

DEPARTMENT OF CHEMISTRY

Alchemista 2.0

Report on Alchemista 2.0

Academic Year: 2025-26

Date: 11th - 12th November 2025

Duration: 2 days

Speaker: Dr. Pratibha Srivastava, Scientist D, Agharkar Research Institute, Pune

Audience: Chemistry Department Students, School of Science, Sandip University, Nashik

Event Coordinator:

Ms. Akansha Raut

Dr. Leena Patil

Objective of the Event:

- To celebrate the spirit of Chemistry, Innovation, and Discovery.
- To foster scientific curiosity, creativity, and teamwork among students.
- To provide a platform for showcasing chemical knowledge through competitions and interactive sessions.
- To encourage students to apply theoretical concepts in practical and innovative ways.
- To bridge the gap between academic learning and real-world scientific applications.

Event Highlights

Inauguration Ceremony:

The two-day event "Alchemista 2.0" was inaugurated on 11th November 2025 at 10:00 a.m. by the distinguished guest, Dr. Pratibha Srivastava, Scientist D, Agharkar Research Institute, Pune.

The ceremony began with a welcome address by faculty members, followed by lamp lighting and a keynote address by the guest speaker, who emphasized the role of chemistry in sustainable innovation and research.

Guest Lecture:

Dr. Srivastava delivered an enlightening talk on recent advancements in chemical research and its impact on everyday life. She inspired students to pursue research with curiosity and ethical responsibility.

Competitions and Interactive Sessions:

The event featured a series of engaging competitions such as:

- Chem Quiz testing conceptual understanding and chemical logic.
- Model Making showcasing creativity and innovative problem-solving.
- Poster Presentation promoting scientific communication and awareness.
- Molecule Hunt & Fun with Reactions encouraging active learning through experimentation.

These activities were designed to enhance participation, teamwork, and enthusiasm for the subject.

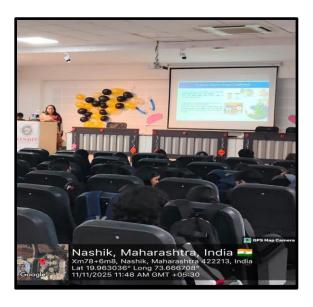

Student Involvement:

Students from all academic years actively participated as organizers, presenters, and competitors. Their enthusiasm and dedication added vibrancy to the event.

Conclusion

Alchemista 2.0 proved to be an intellectually stimulating and creatively inspiring platform for budding chemists. The event successfully blended science with innovation, promoting analytical thinking, teamwork, and communication skills.

The Department of Chemistry expresses sincere gratitude to Dr. Pratibha Srivastava for gracing the occasion, and heartfelt thanks to all faculty members, student coordinators, and participants for their contribution to making the event a grand success.

Dr. Pratibha Srivastava's guest lecture (Diverse Chemistry)

Presentation of models by students

No flame food competition

Felicitation of Dr. Pravin Bharati (Registrar)

Prize Distribution to the students
