ALUMNI TALK SERIES

Report on Alumni Talk Series Episode – 4

Academic Year: 2024-25

Date: 13.03.2025

Duration: 2 hours

Speaker: Mr. Dhiraj Suryawanshi, Analytical Chemist, Megafine Pharmaceutical Pvt. Ltd.
Nashik

Audience: Chemistry Department Students, School of Science, Sandip University, Nashik

Event Coordinator:

1. Ms. Akansha Raut
2. Dr. Leena Patil

Objective of the Alumni Meet

- To strengthen the bond between alumni and current students by sharing valuable industry insights.
- To provide students with an understanding of the role of an Analytical Chemist in Quality Control (QC).
- To offer guidance on career pathways in analytical chemistry and pharmaceutical industries.
- To educate students on key skills required for laboratory analysis, regulatory compliance, and technical documentation.
- To inspire students by sharing career growth opportunities and professional development strategies.

Guest Speaker Session Highlights

The session was an engaging and interactive discussion where Mr. Dhiraj Suryawanshi shared his journey in the field of analytical chemistry and his experiences working at Megaphine.

- **Industry Insights:**

Mr. Suryawanshi explained the responsibilities of an Analytical Chemist in the Quality Control department. He emphasized the significance of laboratory techniques such as chromatography, spectroscopy, and titration in maintaining product quality.

- **Quality Control & Compliance:**

He provided an overview of regulatory standards in the pharmaceutical and chemical industries, highlighting the importance of Good Laboratory Practices (GLP) and documentation in QC procedures.

- **Career Guidance & Skill Development:**

He advised students on essential skills like analytical problem-solving, instrumentation handling, and data interpretation. He also discussed job opportunities in research and development, regulatory affairs, and quality assurance.

- **Interview & Career Preparation:**

The speaker shared insights on commonly asked interview questions, resume-building tips, and how students can enhance their technical knowledge to secure better job opportunities.

Conclusion:

The session proved to be insightful and motivating for students, equipping them with practical knowledge and career guidance. The Department of Chemistry expresses gratitude to Mr. Dhiraj Suryawanshi for his valuable time and effort in mentoring future professionals. Such alumni interactions play a crucial role in shaping students' careers, and we look forward to more such enlightening events.
