## **Report:**

An expert session on **Abroad Studies** was conducted by **Ms. Yashshree** on **2nd August 2025** from **1:00 PM to 3:00 PM** in the **Seminar Hall** of the **School of Science (SOS), SUN**. The session aimed to provide students with detailed guidance and insight into pursuing higher education abroad, covering aspects such as choosing the right country and university, application procedures, scholarship opportunities, visa processes, and adapting to a new academic and cultural environment.

**Ms. Yashshree**, with her extensive experience and knowledge in the field, shared valuable information on various academic programs available across different countries. She also highlighted the importance of standardized tests like IELTS, TOEFL, GRE and GMAT, explained how to build a strong academic and extracurricular profile. The session included practical tips on writing an effective Statement of Purpose (SOP) and securing strong Letters of Recommendation (LORs).

Students actively participated in the session asking questions and seeking clarification on specific concerns related to studying abroad. The interactive nature of the session made it highly engaging and informative. Attendees appreciated the clear structured guidance provided by Ms. Yashshree, which helped them gain clarity and confidence in planning their academic future overseas.

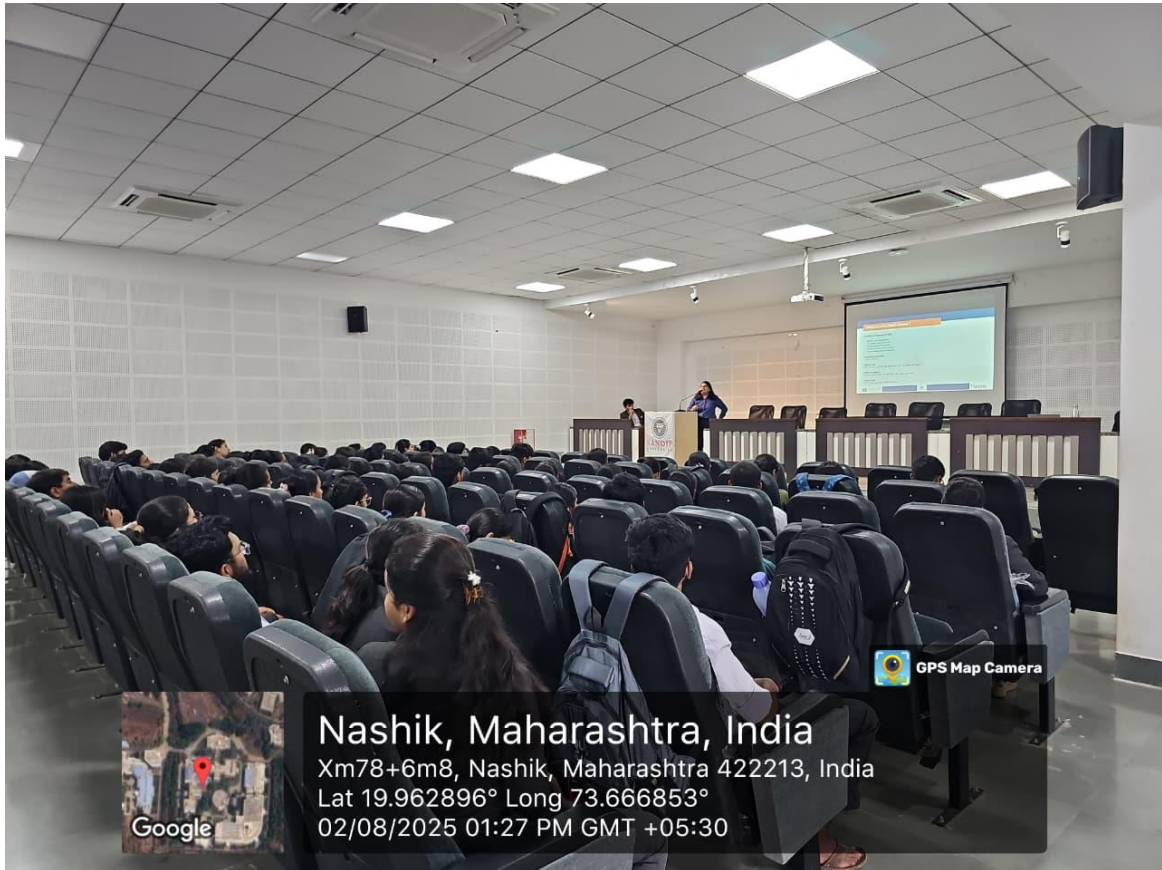

Overall, the session was a great success leaving students better equipped and more motivated to explore global academic opportunities. The School of Science thanked Ms. Yashshree for her valuable time and insights.
