SCHOOL OF SCIENCE

EXPERT LECTURE

EVENT REPORT

Academic Year	: 2025-26
Department /School Name	: School of Science
Event Title	: Expert Lecture
Event Date	: 10th July 2025
Time	: 10:00 AM – 12.00 PM
Duration in Days	: One Day
Mode of Conduction	: Offline
Event Coordinator	: Ms. Akansha Raut & Ms. Yukta Guglot
Participants	: All the students of SOS

Purpose of Visit: To enhance the self-awareness, communication skills, confidence, and overall personality traits of students, empowering them to grow both personally and professionally.

An Expert Lecture on the topic "**Personality Development**" was successfully conducted on **10th July 2025** to help students enhance their personal and professional skills. The event aimed to empower attendees with insights into self-awareness, confidence building, communication skills, and overall personality grooming.

The resource person for the session was **Prof. Dr. Sachin M. Munde**, Prof. in the Dept of Chemistry, SOS, SUN. Sir is an eminent academician, motivational speaker, and expert. With his years of experience and interactive style, he captivated the audience and delivered a deeply impactful session.

Key Highlights of the Event:

The event commenced at 10:00 am with a welcome speech by Dr. Nissar Reshi, Dean of SOS, SUN. This was followed by lamp lighting and introduction of the guest speaker, Prof. Dr. Munde.

Dr. Munde started the session by emphasizing the importance of personality in shaping an individual's academic, professional, and personal life. He discussed various dimensions of personality, such as:

- Self-confidence and positive thinking
- Goal setting and time management
- Effective communication and body language
- Emotional intelligence and interpersonal skills
- Facing challenges and overcoming fear

The session was highly engaging, with real-life examples, motivational anecdotes, and interactive sessions that kept the audience actively involved throughout. The seminar witnessed enthusiastic participation from students and faculty members across various departments. Students actively interacted with the speaker, clarifying doubts and sharing personal experiences related to personality challenges.
