

**Event Activity Report****2021-2022**

<b>School Name</b>	: School of Science
<b>Event Title</b>	: ‘Science Fair’ on the occasion of National Science Day
<b>Event Date</b>	: 28.02.2022
<b>Time</b>	: 10:00 am to 05:00 pm
<b>Duration in days/ Hours</b>	: 07 Hrs.
<b>Mode of conduction</b>	: Offline
<b>Level of Program</b>	: School-Level
<b>Name of Event Coordinator with details</b>	: Ms. Mansi V. Damale, Assistant Professor, Department of Microbiology, SoS, SUN. Email: mansi.damale@sandipuniversity.edu.in)
<b>Number of participants attended</b>	: 250+

**Event Outline, Objective and Outcome of the event:**

**Outline of Program:** The School of Science, Sandip University organized the ‘Science Fair’ on the occasion of National Science Day. National Science Day is celebrated in India on February 28 each year to mark the discovery of the Raman effect by Indian physicist Sir Chandrasekhara Venkata Raman on 28 February 1928. This year, the theme of the National Science Day is said to be 'Integrated Approach in Science and Technology for a Sustainable Future'.

In honor of this day, the School of Science intended to conduct various scientific competitions for the students of all the schools at Sandip University.

**Objective of Program:**

- The Objective of this event was to encourage the students for their active participation in different scientific activities.

- The Basic objective was to make the students realize the importance and use of Science at various levels.
- To motivate the students as well as popularize Science and Technology.
- To widely spread a message about the significance of scientific applications in the daily life of the people.
- To display all the activities, efforts and achievements in the field of science for the welfare of the society.
- To discuss all the issues and implement new technologies for the development of science.
- To give an opportunity to the scientific minded Students in the University to present their skills.

**Outcome:**

The 'Science Fair' was inaugurated by the Honorable Dr. Rajendra Sinha Vice Chancellor, Sandip University, Nashik. Students from School of Science and other Schools had actively Participated in various competitions that were organized. Scientific Posters , Scientific Working Models, Scientific Rangoli, Scientific Paintings and Food Junction, displaying the importance of nutrition were exhibited by the students.

Students had also participated in Science-Fiction based Competitions like Essay writing, Story Writing. Enthusiastically students responded in the Science as an Art competitions like Singing, Debate Tournament, Quiz and much more.

Registrations for various competitions were more than 200+ also on the spot registrations were highly appreciated. Participants were awarded with prizes and certificates.

Moreover, Vice Chancellor, Sandip University, Dr. Rajendra Sinha, Associate Dean, School of science Dr. Sachin Munde, all the Head and faculties from Department of Physics, Chemistry,

Mathematics and Microbiology appreciated the huge success of this event and extended great support to make this event successful.
