Report:

The Department of Forensic Science, SOS organised a one-day Industrial visit of M.sc (Forensic Science) First Year students to Spylens Forensic Investigations Ltd., Vashi, Navi Mumbai, Maharashtra from 23rd December.

The students of M.Sc. Forensic Science got hands on training at the laboratory on various disciplines like Internal Ballistics, Questioned documents examination, Fingerprint development on various surfaces and crime scene photography. They were given exposure to real life cases and

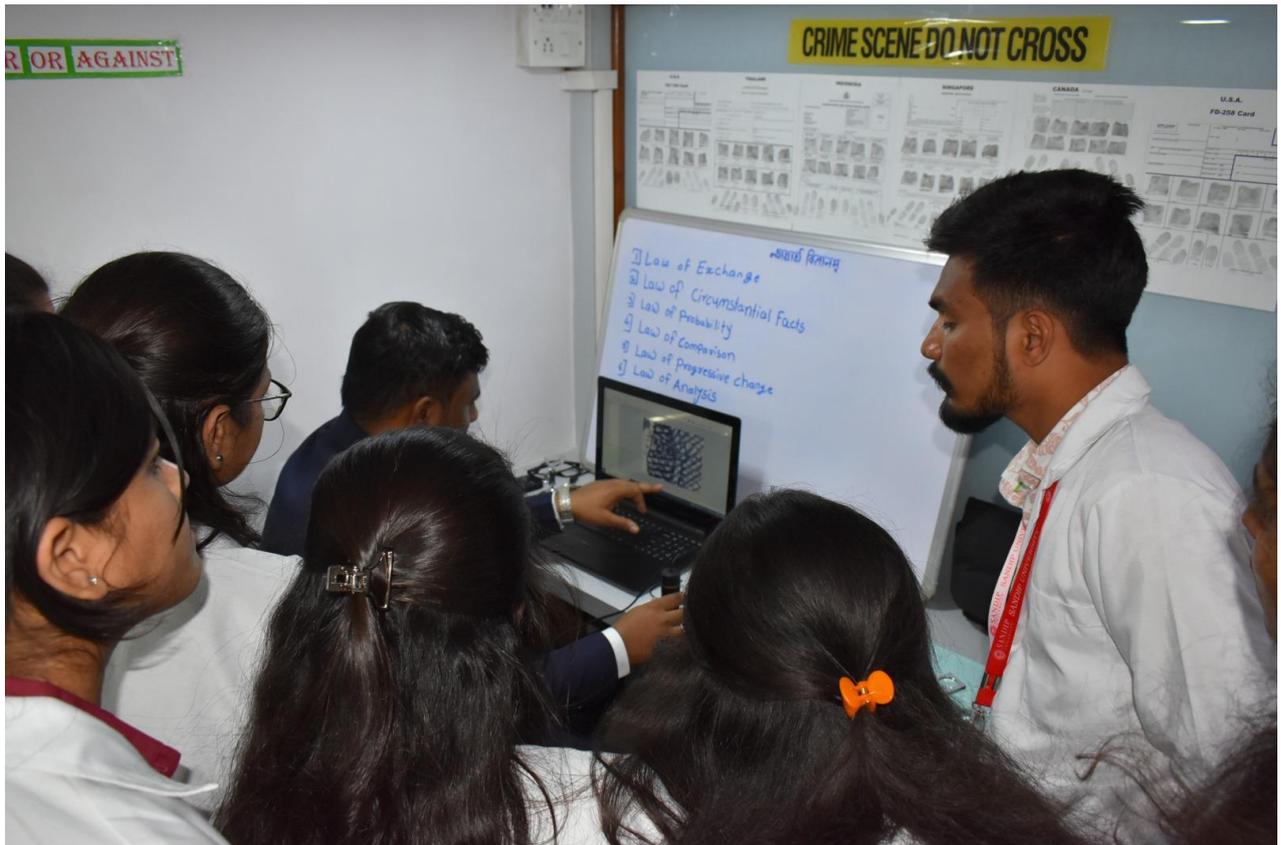

A memorandum of understanding (MoU) was also signed between the Department of Forensic Science and Spylens Forensic Investigations Ltd. that will aid in exchange of knowledge, helping in the skill and professional development of the students and will also open up opportunities for the students in the field of Forensic students. This MoU will facilitate mutual collaboration and cooperation between us in the field of Forensic Science and it will help them grow and encourage their passion for forensic science.

The MoU will facilitate the following:

1. Industrial training for B.Sc. and M.Sc. forensic science students.
2. Guidance and cooperation to the department in its Training & Placement activities.
3. Consultancy and exchange of knowledge.
4. Mutual cooperation in developmental work.
5. Any other areas of co-operation as agreed to by the Parties from time to time.
