9. Reflection on Personal Values
10. Actionable Steps for Advocacy

The Department of Forensic Science, SOS organised a one-day Industrial visit of M.Sc I, M.Sc.II, and B.Sc. III (Forensic Science) students to **Juvenile Observation Home**, Maharashtra on 18/10/2024.

The visit to the Juvenile Observation Home in Nashik aimed to provide participants with a comprehensive understanding of the juvenile justice system, the challenges faced by the youth residing there, and the rehabilitation programs available. Adv. Shobha Pawar Madam Member, Juvenile Justice Board explained the temporary facility for youth who have been apprehended for various offenses. It is designed to provide a safe and supportive environment where young individuals can receive necessary care, education, and rehabilitation. She describe about special home and caring center, juvenile in conflict with Law .

The visit to the Juvenile Observation Home in Nashik was an enlightening experience that provided valuable insights into the juvenile justice system. Participants left with a greater understanding of the importance of rehabilitation and the need for systemic changes to support at-risk youth. Moving forward, it is crucial to advocate for policies that promote restorative justice and community support for young individuals in the justice system.
