

World Entrepreneurs Day

Details of the Event:

Date of event: 21.08.2026

Name of Event: World Entrepreneurs Day

Venue: Seminar Hall, School of Science

Time: 10:30 to 12.30 pm

Name of Coordinator: Dr.Kiran Thakur

Number of Participants: 50

Organizing Committee: UG and PG students Department of Biological Sciences

Brief description of Event:

The Department of Biological Sciences, School of Science, Sandip University, Nashik, celebrated **World Entrepreneurs Day** on **21 August 2026** at the **SOS Seminar Hall**. The event was organized to create awareness among students about entrepreneurship, innovation, creativity, leadership, and the importance of developing an entrepreneurial mindset

The programme focused on the importance of entrepreneurship in today's rapidly changing academic and professional environment. Students were encouraged to identify real-world problems and think of innovative solutions that could be transformed into entrepreneurial opportunities.

Interactive discussions and activities were conducted to encourage students to share their business ideas, understand the qualities of successful entrepreneurs, and recognize the role of innovation in developing sustainable enterprises.

The event also emphasized that entrepreneurship is not limited to starting a business but involves **innovation, leadership, initiative, decision-making, and creating value for society**.

Objective of the Event:

- To create awareness about entrepreneurship and entrepreneurial opportunities among students.
- To encourage students to develop innovative ideas and problem-solving skills.
- To highlight the importance of creativity, leadership, and risk-taking in entrepreneurship.
- To motivate students to explore entrepreneurship as a career option.

SANDIP
UNIVERSITY
— UGC Recognised —
Under Section 2(f) & 12(B) of UGC

- To promote innovation and self-employment among young learners.

Outcome of the Event:

The celebration successfully created awareness regarding entrepreneurship and its relevance to students' academic and professional development. The programme encouraged participants to think creatively, identify opportunities, and develop an entrepreneurial mindset. It also motivated students to consider innovative and self-employment-oriented career pathways.
