**“ALUMINI TALK SERIES”**

**Report on Alumni Talk Series Episode - 3**

**Academic Year:** 2024-25

**Date:** 07/03/2025

**Duration:** 2 hour

**Speaker:** Ms. Jagruti Sonawane and Mr. Durgesh Shirsath

**Audience:** Chemistry Department Students, School of Science, Sandip University, Nashik

**Event Coordinator:**

1. Ms. Akansha Raut
2. Dr. Leena Patil

**Objective of the Alumni Meet**

- To connect current students with alumni who have successfully transitioned into professional roles in the chemical industry.
- To provide students with first-hand insights into real-world industrial practices, challenges, and expectations.
- To guide students on interview preparation, viva questions, and key skills required for securing job opportunities.
- To familiarize students with quality control, production processes, and industrial work culture in different sectors.

- To motivate students by sharing career growth opportunities and practical strategies for success in the field of chemistry.

### **Guest Alumni Speakers:**

1. Ms. Jagruti Sonawane
  - Designation: QC Analyst, QC Department
  - Organization: Khushboo Beauty Care, Athal, Silvassa
2. Mr. Durgesh Shirsath
  - Designation: Production Trainee
  - Organization: Sahney Kirkwood Pvt. Ltd., Nashik, Maharashtra

### **Session Highlights:**

The alumni meet served as an interactive platform where the guest speakers shared their professional experiences, challenges, and success stories with the students.

- **Industry Insights:** Ms. Jagruti Sonawane provided valuable information regarding her role in the Quality Control (QC) Department and elaborated on the key aspects of quality assurance in the cosmetic industry. She discussed the importance of laboratory testing, documentation, and regulatory compliance in maintaining product standards.
- **Production & Manufacturing:** Mr. Durgesh Shirsath shared his experience as a Production Trainee at Sahney Kirkwood Pvt. Ltd., emphasizing the significance of hands-on experience in industrial processes, production techniques, and safety protocols.
- **Viva & Interview Preparation:** Both speakers addressed the students about commonly asked viva questions during interviews and industrial visits. They highlighted the importance of technical knowledge, confidence, and communication skills in securing job opportunities.
- **Work Culture & Career Guidance:** The alumni also discussed workplace ethics, teamwork, and the adaptability required to excel in the chemical industry. They motivated students to enhance their practical skills and be prepared for real-world challenges.

### **Conclusion:**

The session was highly engaging and beneficial for the students, providing them with practical knowledge and career guidance. The Department of Chemistry extends heartfelt gratitude to Ms. Jagruti Sonawane and Mr. Durgesh Shirsath for taking the time to inspire and mentor the students.

Such alumni interactions play a crucial role in shaping students' careers, and we look forward to more such events in the future.
