

Drug Awareness Programme- "Say No to Drugs"

Details of the Event:

Date of Event: 06.08.2026

Name of Event: "Say No to Drugs" – Drug Awareness Programme

Venue: Saraswati Area, School of Science

Time: 12:00 Noon

Coordinator: Dr. Kiran Thakur

Number of Participants: 150

Organizing Committee: UG and PG Students, Department of Biological Sciences

Event Level: Department Level

In Association With: Trimbakeshwar Police Station, Nashik Rural

Brief Description of the Event

The Department of Biological Sciences, School of Science, organized a **"Say No to Drugs" Awareness Programme** to create awareness among students regarding the harmful effects of drug and substance abuse. The programme was conducted as part of the drug-awareness initiative in association with **Trimbakeshwar Police Station, Nashik Rural**.

The programme focused on sensitizing students about the physical, psychological, social, and academic consequences of drug abuse. The importance of making responsible choices, avoiding addictive substances, and seeking appropriate support in situations involving substance abuse was emphasized.

UG and PG students from the Department of Biological Sciences participated in the awareness programme. The programme provided an opportunity for students to interact, learn about the consequences of substance abuse, and understand their role in promoting a healthy and drug-free campus environment.

Objective of the Event:

- ❖ To create awareness among students about the harmful effects of drug and substance abuse.
- ❖ To educate students about the physical, psychological, social, and academic consequences of addiction.
- ❖ To encourage students to adopt healthy and responsible lifestyles.
- ❖ To sensitize students regarding the importance of staying away from addictive substances.
- ❖ To promote a safe, healthy, and drug-free educational environment.
- ❖ To encourage students to spread awareness about the adverse consequences of drug abuse among their peers and society.

Outcome of the Event:

- ❖ **UG and PG students** actively participated in the awareness programme.
- ❖ Students gained increased awareness regarding the harmful consequences of drug and substance abuse.
- ❖ Participants understood the importance of prevention, responsible decision-making, and maintaining a healthy lifestyle.
- ❖ The programme encouraged students to contribute towards creating a **drug-free campus and society**.
- ❖ Students were motivated to disseminate awareness regarding drug abuse among their peers and community.
- ❖ The association with **Trimbakeshwar Police Station, Nashik Rural** strengthened institutional efforts towards student safety and social awareness
