Date of event: 21 October 2026

Name of Event: REPORT ON DUSSEHRA CELEBRATION

Venue: SP Building,Ground Floor ,Lab-203,Sandip University, Nashik

Time: 10:00 AM to 5:00 PM

Name of Coordinator: Ms.Neha Nisal
Organizing Committee:- Department of Mathematics, School of Science

Brief Description of the Event

The Department of Mathematics, School of Science, Sandip University, Nashik, celebrated Dussehra in the Mathematics Laboratory with great enthusiasm and joy. The celebration aimed to promote cultural awareness, traditional values, and unity among faculty members and students.

The laboratory was decorated beautifully to mark the auspicious occasion. Faculty members and students participated actively in the celebration and observed the festival in a positive and festive atmosphere. Dussehra, which symbolizes the victory of good over evil, truth over falsehood, and righteousness over injustice, provided an opportunity to reflect on the importance of honesty, discipline, courage, and positive values in academic and personal life.

The celebration helped create a sense of togetherness among the members of the department and provided a meaningful opportunity to appreciate Indian cultural traditions within the university environment.

Objectives of the Event

1. To celebrate the cultural significance of Dussehra and promote traditional values among students.
2. To create awareness about the importance of the victory of good over evil.
3. To encourage unity, harmony, and mutual respect among faculty members and students.
4. To promote cultural awareness and preserve Indian traditions within the university.

5. To provide students with opportunities to participate in cultural activities and departmental celebrations.

Outcomes of the Event

1. Students gained a better understanding of the cultural and moral significance of Dussehra.
2. The celebration promoted unity, cooperation, and a positive atmosphere within the department.
3. Faculty members and students actively participated in the departmental celebration.
4. The event encouraged respect for Indian traditions and cultural values.
5. The celebration strengthened the sense of belonging and togetherness among the members of the Department of Mathematics.

Conclusion

The Dussehra celebration organized by the Department of Mathematics, School of Science, Sandip University, Nashik, was a joyful and meaningful occasion. The celebration reinforced the values of truth, righteousness, unity, and positivity while providing an opportunity for faculty members and students to come together and celebrate Indian culture. The event concluded on a positive note, spreading the message that goodness, knowledge, and positive actions always lead to success.

Sustainable Development Goals (SDGs) Addressed

SDG 4: Quality Education
The celebration supported holistic education by promoting cultural awareness, ethical values, and learning beyond the classroom.

SDG 11: Sustainable Cities and Communities
The event encouraged appreciation of cultural traditions and helped preserve India's intangible cultural heritage through community participation.

SDG 16: Peace, Justice and Strong Institutions
The celebration highlighted the values of truth, righteousness, justice, and peaceful coexistence, encouraging students to uphold ethical principles in their personal and professional lives.
