Time: 10 .00 am to 12.00 pm

Name of Coordinator: MR.Prathmesh suryawanshi,Ms.Afarin Arab

Number of Participants: 40

FY-Computational Mathemetics and data science

Organizing Committee:- Department of Mathematics, School of Science

Brief Description of Event

The Department of Mathematics, School of Science, Sandip University, Nashik, organized a Parents' Meeting for First-Year (FY) B.Sc. Computational Mathematics and Data Science students. The meeting aimed to establish effective communication between parents and faculty members regarding students' academic progress, attendance, classroom participation, and overall development.

During the meeting, faculty members discussed the academic curriculum, teaching and learning activities, examination patterns, assessment procedures, and the importance of regular attendance. Parents were encouraged to actively participate in their wards' academic journey and maintain regular communication with the department regarding their progress and performance.

The meeting provided a platform for parents to share their concerns, clarify academic queries, and understand the university's expectations. The interaction strengthened the partnership between parents and faculty members to support students' academic success and personal development.

Objectives of the Event

1. To establish effective communication between parents and faculty members.
2. To inform parents about the academic curriculum and teaching-learning process.
3. To discuss students' attendance, academic performance, and classroom participation.
4. To create awareness about examination patterns and assessment procedures.
5. To encourage parental involvement in students' academic progress.
6. To address parents' queries and concerns regarding students' education.

7. To promote the overall academic and personal development of FY students.

Outcomes of the Event

1. Parents gained a better understanding of the academic structure and curriculum.
2. Effective communication between parents and faculty members was strengthened.
3. Parents were made aware of the importance of attendance and regular academic participation.
4. Academic concerns and queries were discussed with the faculty members.
5. Parents were encouraged to monitor and support their wards' academic progress.
6. The meeting promoted cooperation between parents and the department.
7. The interaction contributed to creating a supportive environment for students' academic growth.

Sustainable Development Goals (SDGs) Addressed

SDG 4: Quality Education

The meeting supported quality education by encouraging collaboration between parents and faculty members to improve students' learning experiences and academic performance.

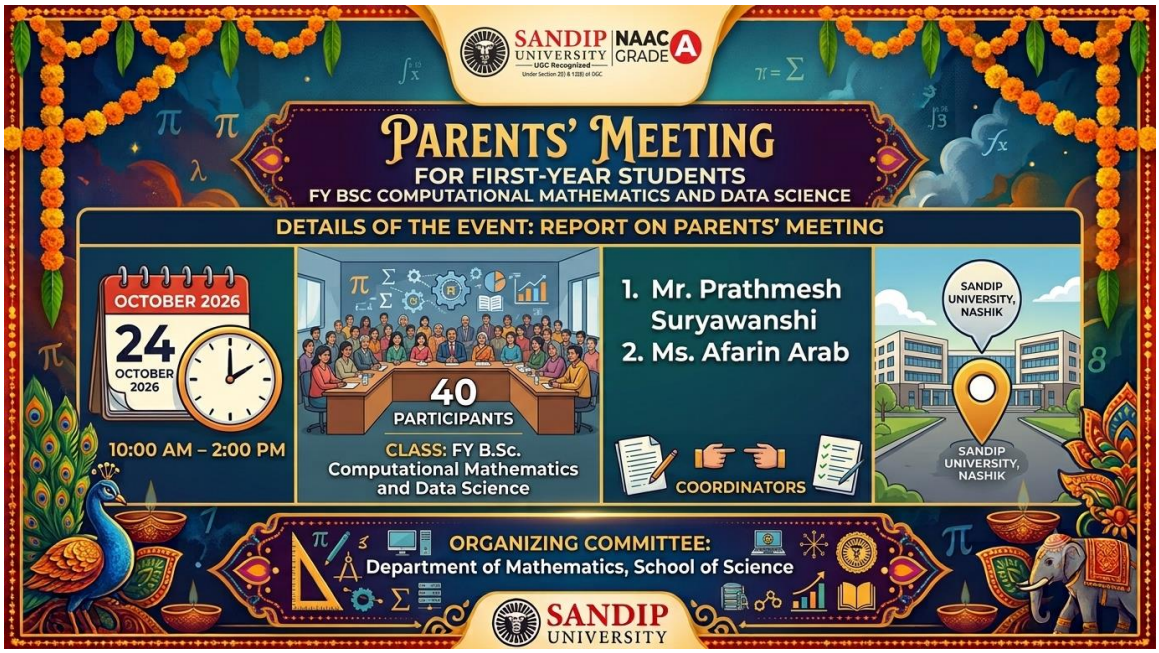

SDG 10: Reduced Inequalities

The meeting provided an opportunity for parents to communicate their concerns and seek academic guidance, promoting inclusive participation and equal support for students.

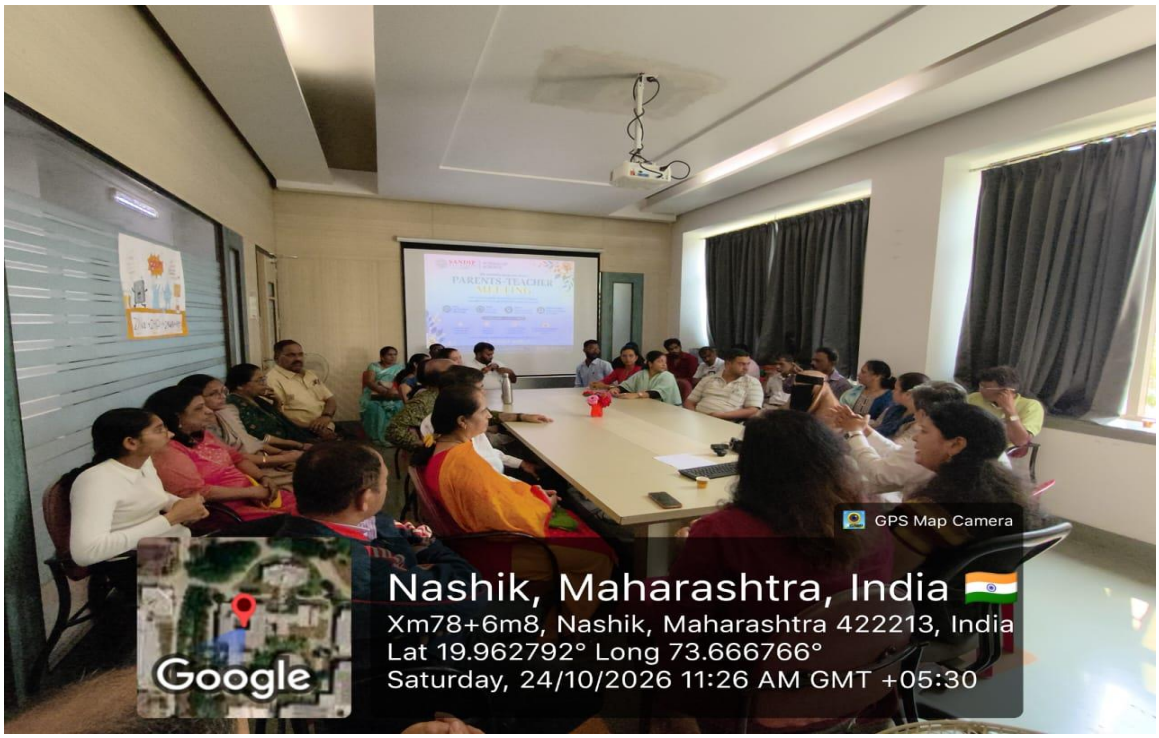

SDG 17: Partnerships for the Goals

The meeting strengthened the partnership between parents and the university to support students' academic progress and overall development.
