SWAYAM Registration Drive

Details of the Event

Date of event: 03/08/2026 (Monday)

Name of Event: SWAYAM Registration Drive

Venue: CR-203

Time: 2:00 p.m. – 3:00 p.m.

Name of Coordinator: Dr. Renu Pathak

Number of Participants: SY-Chemistry, SY-Microbiology, SY-Computational Mathematics and data science

Organizing Committee: School of science

Brief description of Event:

School of Science organized a **SWAYAM Registration Drive** for the students of **SY & TY B.Sc. Chemistry, Microbiology, and Forensic Science** on **03 August 2026**. The registration drive was conducted under the guidance of **Dr. Renu Pathak** in the CR-203. Students were assisted in creating their SWAYAM accounts and completing the registration process for various online courses offered through the SWAYAM portal. The session ensured that all eligible students successfully completed their registrations and understood the benefits of the SWAYAM platform.

Objective of the Event:

- To encourage students to enroll in SWAYAM online courses.
- To create awareness about MOOCs and digital learning opportunities.
- To assist students in completing the SWAYAM registration process.
- To promote self-paced learning and skill enhancement.

Outcome of the Event:

- Students successfully registered on the SWAYAM portal.
- Participants became aware of the wide range of online courses available through SWAYAM.
- The registration drive motivated students to utilize digital learning resources for academic and professional development.
- The event promoted the adoption of technology-enabled learning among students.
