

### Event Activity Report

2022-2023

: School of Science

**School Name**

**Event Title**

: Crop Genomics in the Scenario of Climate Change: Challenges and Opportunity

**Event Date**

: 26.11.2022

**Time**

: 02:30 to 4:00 PM

**Duration in days**

: 1 Day

**Mode of conduction**

: Offline

**Level of Program**

: Department level

**Event Resource Person Details**

: Dr. Muthamilarasan M., Assistant Professor, University of Hyderabad **Email:** [muthu@uohyd.ac.in](mailto:muthu@uohyd.ac.in)

**Name of Event Coordinator with details:** Dr. Razia Kutty, Professor, Head of Dept of Life Science and Microbiology, Sandip University, Nashik. (Mob: 9822794581)

**Email:** [razia.kutty@sandipuniversity.edu.in](mailto:razia.kutty@sandipuniversity.edu.in)

**Number of participants attended**

: 70+

**Event Outline, Objective and Outcome of the event:**

**Outline of Program:**

Department of Microbiology, School of Science had organized Expert's Talk series on 26<sup>th</sup> November 2022 for all the UG and PG students of Department of Microbiology and Life Science in order to enhance students' knowledge in the area of Genomics.

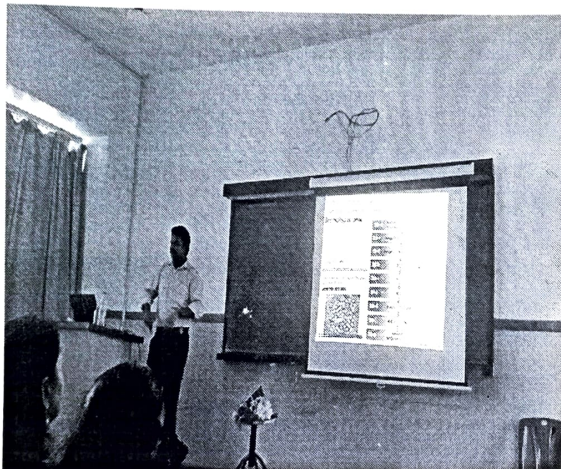

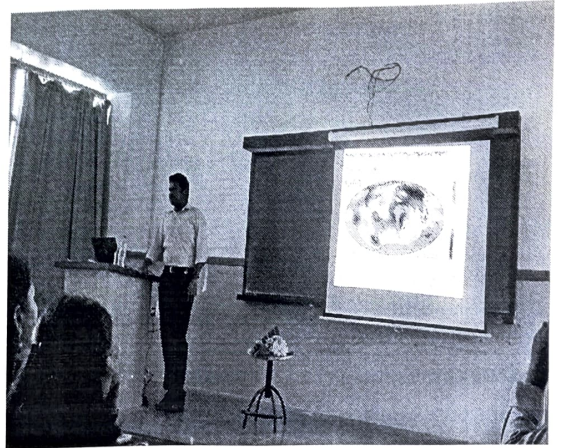

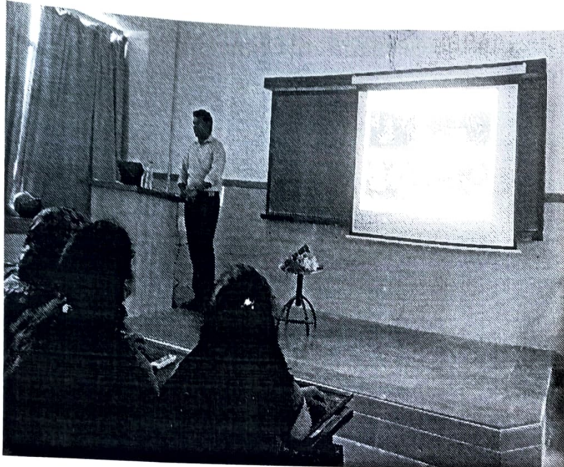

**Objective of Program:**

The Guest Lecture arranged by the department was to encourage the students for learning Basics of Plant Genomics and its current scenario. The talk motivated them for reviewing the skills challenges in the same.

**Outcome:**

UG and PG students from the Department of Microbiology and Life Science enthusiastically attended the lecture. Brief knowledge about the Challenges and opportunities in the field of Plant Genomics was delivered by eminent resource person Dr. Muthamilarasan M.

**Glimpses of the Event:**
