## **Parents-Teacher Meeting Report**

**Meeting held on Saturday, Date: 20-05-23**

A Parent-Teachers Meeting was conducted on Saturday, 20-05-2023 from 10:00 am – 01.00 pm. The parents were informed through telephonic calls as well as through the student's official groups. The program was coordinated by Ms. Muskan Sharma, Department of Microbiology and Life Science and Ms. Sudeshna Bag, Department of Forensic Science.

The program started with the lighting of the lamp to the Goddess Saraswati by the Respected Dean Sir, followed by the HOD of Department of Microbiology, the HOD of Department Forensic Science and the parent representatives. The Dean, HoDs and the senior faculty were felicitated by the coordinating faculty.

The welcome speech was delivered by Dr. Prasanna Kulkarni, HOD of Department of Forensic Science. The Academic and Administrative structures of the School of Science, the composition of Board of Studies and the curriculum aspects were deliberated in detail for the benefit of the parents and the students. The integrated interdisciplinary environment of the School of Science and its impact on the student growth was highlighted.

Dr. Sandip Wagh, HOD of Department of Microbiology and Life Science discussed the focus on the internal evaluations, the internship and the placements. Major highlight was the students getting placements at various multinational companies and the research laboratories of national importance.

Dr. Nissar Reshi, The Dean, School of Science deliberated on the synergetic efforts of Parents and Teachers in the overall growth of the students. He requested the parents to participate actively in monitoring the academic activities of the students. Several measures of establishing a direct communication were proposed. Sandip University offers an ERP portal for the parents and it can be effectively utilized for monitoring the academic progress. The Dean emphasized the need to inculcate reading in the students. This could be through the daily newspaper, the text books and preferably in the printed form. Every student having the text book to refer to, is something which he stressed, would be the biggest contributor in the learning.

---

The following students were felicitated for their outstanding performance in the previous semesters.

1. S. Supraja, First Year, BSc Forensic Science
2. Priya Shirsath, First Year, BSc Microbiology
3. Shrushti Potdar, Second Year, BSc Microbiology
4. Monali Kolambe, Third Year, BSc Microbiology

The parents were invited to share their views, suggestions and feedback. Several parents spoke on the following aspects:

1. Providing and Enforcement of the policy of student wearing uniforms. It was felt by the parents that the students wearing uniforms can be effective in the safety aspect, in particular, in commuting to the university.
2. Providing more library books and improvement of the laboratory facilities.
3. Making the whatsapp group to circulate the dates of the examinations and other activities.
4. Major highlight of the academic performance was the girl students securing the highest grades in all the undergraduate programme.

The meeting followed by the refreshments and the individual interaction with the teachers. Parents visited several laboratories and got a glimpse of the facilities available at the School of Science.

The Vote of Thanks was given by Ms. Sudeshna Bag, Department of Forensic Science.

**Feedback Analysis (On a scale of 4):**

<b>Q. No</b>	<b>Particular</b>	<b>Points</b>
<b>1</b>	Does your ward tell about the academic activities in the University?	<b>3.8</b>
<b>2</b>	Are you aware of the internals marking scheme?	<b>3.9</b>
<b>3</b>	Do you know the dates of the upcoming end semester examination dates?	<b>4</b>
<b>4</b>	Does your ward studies regularly after college hours?	<b>3.8</b>
<b>5</b>	Do you feel the study material provided to the student is sufficient for his exam preparation?	<b>3</b>
<b>6</b>	Do you feel that the extracurricular and sports activities are sufficiently available at the University?	<b>3</b>

The overall satisfaction level regarding the academic calendar, the examination activities and information, the communication among the parents and their wards was observed to be good. However, the parents requested for a better study material to enable the students to the examination. The sports and other activities were also on high demand in the discussions with the parents.

Actions: The institutional autonomy over academics was highlighted and the role of classroom teaching in deciding the scope of the examination. It was mentioned that the students who are regular in the classes get the better understanding of the study material. Parents were assured of the enhanced book requirements are already under process with the Institutional Central Library. The need to include the sport and extracurricular activities was genuine and have been included in the activity plan in consultation with the students.
