**Report :**

The Department of Forensic Science, SOS has organised Field visit of B.sc (Forensic Science) Second Year students and M.sc (Forensic Science) First Year students to Regional Forensic Science Laboratory, Nashik, Maharashtra from 22<sup>th</sup> November to 23<sup>th</sup> October 2023.

A study visit to a Forensic Science Laboratory was an exciting and educational experience for students. This event was specially organised for B.sc (Forensic Science) Second Year students and M.sc (Forensic Science) First Year students. They got to see first-hand how forensic scientists analyse evidences, solve crimes and contribute to the criminal justice system.

Students learned about different techniques like DNA analysis, Cyber and Digital Techniques, Toxicological and Instrumentation techniques. They visited several divisions of the laboratory like Toxicological division, DNA division, Prohibition division, Digital and Cyber division, GAI (General Analytical and Instrumentation) division and Serology Division. It was a great opportunity for students to interact with all the forensic experts at RFSL, Nashik. It was a great opportunity for students to understand the real life application of science in solving crimes and bringing justice to society.
