Participants : B.Sc. and M.Sc. Forensic Science Students

Objective:

The department of Forensic Science on 16th February 2024 organized one day workshop on confidence building entitled “**From Fear to Fame: Conquering the stage**”. The workshop was inaugurated at 10:00AM. This workshop was conducted by **Motivational Madhura**. She is Indian dynamic motivational speaker and Confidence coach. The event featured interactive sessions where participants were encouraged to confront their fears and step out of their comfort zones. Through a series of engaging exercises and role-playing activities, she instilled confidence in the attendees, enabling them to tap into their innate potential. Her dynamic coaching style and hands-on approach resonated with the audience, fostering a sense of empowerment and camaraderie among the participants. Students enthusiastically shared their testimonials, expressing gratitude for the invaluable insights gained during the event. Many cited a newfound sense of confidence and determination to pursue their dreams fearlessly. Her ability to connect on a personal level and inspire positive change was evident in the heartfelt testimonials shared by individuals who had been profoundly impacted by her teachings

In the afternoon session a competition was organized under ‘**Forensia**’ club entitled ‘**Evidence Hunt: साक्ष्य की खोज**’ for the students of both B.Sc. and M.Sc. The competition followed a unique format where participants were presented with a series of clues, each leading to a specific piece of evidence. Teams of enthusiastic students from competed against each other to decipher the clues, collect the evidence, and present their findings to a panel of judges following strict guidelines. After a rigorous evaluation process, the winners were announced amidst much anticipation and applause. Prizes were awarded to the top-performing teams i.e., 1st prize was awarded Rs. 11,000, 2nd runner up was awarded Rs. 7,000 and 3rd runner up was awarded Rs. 5,000 recognizing their outstanding research skills, analytical thinking, and innovative solutions. However, all participants were commended for their dedication, enthusiasm, and commitment to addressing pressing societal challenges through evidence-based inquiry.
