Date of the Event: 04TH of September 2023

Duration of the Event: 1 Day Seminar

Resource Person:

MR. SAURABH RANJAN
AI Researcher, IIIT Bhagalpur

Mode of the Event: Online

Name of the Program Coordinator

Prof. Amit Kumar Pradhan, Assistant Professor, CSE Department

Objective of the Program:

1 Day Webinar on DATA ANALYTICS provides many opportunities to interact with your peers and form new connections. While organizing any Seminar or Webinar, students stumble upon new people and build their strong networks. Most of these activities are group-oriented due to which students get to know about people from different cultural backgrounds and interests. These healthy interactions not only enhance the interpersonal communication skills of students but also prepare them for the real world.

These events and activities are most exciting part of any University campus life in the University like, Sandip University, Sijoul, Madhubani Bihar. It provides a platform for young brains to showcase their innovative ideas and compete with their peers. Involving ourselves in these activities will fresh our minds and reduce all our pressure.

Outline of the Program: To make Our Student familiar with DATA ANALYTICS. The interaction between the student and the Resource Person was very good as he clear all the doubts of the students.
